

Health System Support Subscription

The Leapfrog Health System Support Subscription is designed to streamline access and provide timely data insights for health systems participating in the Leapfrog Hospital Survey and Hospital Safety Grade programs. This subscription enables multi-hospital systems to centralize data access and gain strategic insights into safety and quality performance across their hospitals.

More details on the deliverables included in this annual subscription can be found at:

<https://www.leapfroggroup.org/survey-materials/support-health-systems>
